PUBLIC HEALTH NURSE

The Health Committee presents for your careful consideration the nurse's reports of work done during the year. Mrs. Howard, who has been our nurse for two years, left us in November. She has given fine service and we regretted to have her leave.

We were very fortunate to have Mrs. Maynard, a former nurse, come at once, so there was no break in the service.

We thank those who have helped in this most necessary and valuable work.

ELIZABETH A. DODGE,

STELLA T. THOMPSON,

N. Y. B. MacKENZIE,

ANNA BELLE WOODWARD.

REPORT OF ANDOVER TOWN LIBRARY

1934-1935

Following is the report of the East Andover Library sent by Harry Walker, assistant librarian.

Last fall the books were moved into a smaller and better room over Mr. F. N. Ward's store. The room was repainted. Entrance of the library is now on the side of the building next to the B. & M. bridge. There have been many gifts of books, thanks to Mr. W. A. Richardson, Mr. Atherton Frost, Mr. F. M. Haley and the N. J. Bachelder Estate. The ten dollars sent by Mr. Richardson has been spent for magazines. Until it was too cold the library was open every Wednesday evening. It will be open again Wednesday evenings beginning in March. There are now 3,339 books, 159 patrons and a circulation of 2,985.

The Andover Library has had many gifts of books too, thanks to Mrs. Clarence Moore. The circulation has steadily increased. The children have enjoyed their new books. The new books for the adults will be on the shelves soon. Through the Public Library Commission books have been supplied to the teachers, as they wished, of the District Schools.

ELLA CARR,

LAVINA E. SMITH,

Trustees of the Andover Town Library.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens:

My duties in your school system were entered upon last July with a diffidence fitting for one who realized that his position there was due to the economies forced by act of the last legislature rather than to any desire for change on your part.

For the forbearance shown during the time necessary for me to become acquainted with you, with your policies and your schools, I wish to express my gratitude to the members of the school board, the teachers, and to such citizens as I have had opportunity to meet.

The printed report of last year gave no definite budget for the support of the high school as the question of construction of a building was unsettled.

This year we are presenting a complete budget for support of high and elementary schools, except that no estimate has been given of the balance likely to be on hand June 30, 1935. From the $1500 raised last year for water at the East Andover School an unexpended balance of about $800 is now on hand and can be used to reduce next year's assessment asked for by the school board, or to complete the job by installing an electric pump, flush toilets and running water.

It is hoped that a small balance will be left from the amount to be used for equipment of the high school, after the school is equipped for the courses now offered. We plan to use this toward equipping the shop.

The high school budget provides for four teachers, the intention being to add a Mechanic Arts Course next September.

The budget here submitted compares with the amount raised last year as follows:

		Raised Last Year	Budget Submitted
For Support of High and Elementary Schools and Other Statutory Requirements,		$18,715.88	$16,679.37
Additional Items:			
Legal Fees,		296.85	
Deficiency Appropriation,		500.00	
Water at East Andover,		1,500.00	
Payments on Debt:			
On principal,	$2,000.00		
Interest,	1,060.00		
			3,060.00
Insurance,			75.00
Grand Total,		$21,012.73	$19,814.37

Extensive repairs have been made on the chemical toilets at East Andover. A new stove has been furnished to the Boston Hill School, and the ceiling has been covered with wall board, a much needed improvement. Stone jars for water have been bought for the schools at Dyer's Crossihg and Boston Hill.

A few old books have been replaced by new ones. We need new geographies in most of the schools and new maps.

With a new high school building before our eyes we shall realize more than ever how much some of our one-room and two-room buildings have been needing repairs for some time.

Respectfully,

GEORGE W. SUMNER,

Superintendent of Schools.
